Directions to Jeff Low's House

Carolina Institute for Developmental Disabilities Party

Follow 15-501 South towards Pittsboro. Two miles after the entrance to Southern Village there is a traffic light, you can only make a left turn on to Old Lystra Road. Travel 1/4 mile to the gated lot on the left #227...the house is yellow with a green roof. If you have any problems with directions, please call 919-656-5757.

Please do not Google or Mapquest Jeff's address. It can bring up several incorrect results due to the numbering system on Old Lystra Road.
