B3 Coffee
Creating a space where everyone belongs, one cup at a time.

B3 Coffee is a non-profit pop-up coffee stand that serves as a platform of positive visibility and community connection for people of all abilities. Through coffee and friendship, we enact our core values of Being, Belonging, and Becoming better together (B3).

Online Community Building
Now more than ever, we are dedicated to bringing people together safely through virtual social and civic engagement opportunities. We offer consistent online programming including weekly team meetings & socials, barista trainings, and remote volunteer roles.
